

Hope

can be hard to feel sometimes when things are not going well. Our faith and friends may provide us with some comfort. We may be a source of hope for others some times.

December days were brief and chill,
 The winds of March were wild and drear,
 And, nearing and receding still,
 Spring never would, we thought,
 be here. The leaves that burst,
 the suns that shine,
 Had, not the less, their certain date:
 And thou, O human heart of mine,
 Be still, refrain thyself, and wait.

Arthur Hugh Clough, 1892

A crocus

emerges out of the snow, on a chilly but sunny day. This simple act of nature reminds us to take a small step each day toward the light. There are simple things we can do, places to get food, get vaccinated for Covid-19, get tested, be aware of mental health issues, volunteer, give. Go to AlbionMich.net on your smart device to see more information about these things. Be well in 2022.
